Resources

We are really appreciative of one of our parents, who has discovered a great app, and has put all our theory terms online in a game format! If you wish to give it a go, try:

You will also find a link on the resources page of the NZMEB website. We are looking forward to 100% correct terms in our theory exams from now on! If any of you or your parents have any similar ideas, that help your students learn, please let us know as we love to share!

Musicianship

The keys of the brass and woodwind musicianship tests are being realigned to fit in with the scale keys at each grade. These changes will shortly be available on the website.

Beverley Holder

Beverley has been a supportive part of the NZMEB team since 2008 and has worked hard to ensure that our growing organisation continues to function efficiently, and has recently been retitled 'Financial Controller'. She is a chartered accountant who has worked in a variety of roles, particularly with not-for-profit organisations, of which NZMEB is one. She has done a wonderful job with our reporting obligations to the charities commission in light of recent changes. She has been very involved with music both personally and with her children. Outside of that she is heavily involved with the Guiding and Rangers movements. Thank you Beverley.
